The Safest Investments

Are those that do not fluctuate during the turbed conditions of the money or stock markets. First deed of trust notes (first more logges), well secured on real estate in the District of Columbia, constitute "gilt-edge" investments, and they do not depend upon the mancial responsibility of individuals or our transitions. ancial responsibility of individues a samply retions for their stability. We can supply the investments in amounts from 100 up and Besid for booklet, "Concerning Loans d Investments."
